

New York State Order of the Squires Roundtable Program Representative Squire Award

This form is to be completed by a member of the New York State Squire Manor. Of course, help from a parent/guardian or other adult mentor is most welcome. The goal for this is to have the member show the impact on his life since joining. Most important, there are no right or wrong answers, it is not graded. Take your time to think about how to answer these questions. Should you have any questions, please reach out to any member of the Squire Manor team.
